

Vacancy:

LANDSCAPE APPRENTICE (Level 3)

Location:

Birmingham B24

What is HS2?

HS2 is a brand new, low carbon high-speed railway critical in supporting the UK's economic growth and tackling climate change. It will provide much-needed rail capacity and is integral to increased economic growth – helping to improve connectivity, create jobs and support the UK economy. Construction of HS2 is underway and the project is already supporting thousands of jobs and businesses around the country.

Role Purpose:

As a Landscape Apprentice you will be assisting the Landscape team from design assurance through to construction stages.

Accountabilities:

There will be a wide range of duties including:

- Assisting in updating the landscape delivery programme
- Supporting in ordering stock for route-wide in alignment with the construction programme
- Aiding in landscape site supervision
- Co-ordinating with Sublot construction teams and planning managers to ensure landscape implementation.

Skills/Experience:

The following experience is required:

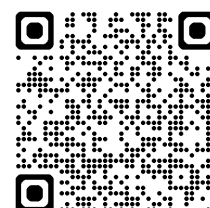

- Desire to learn site experience of landscape implementation.
- Strong interpersonal and communication skills
- Determination to see tasks through to completion with excellent planning and organisational skills.
- Interest in developing project management experience.

Apprenticeship Overview:

- Apprenticeship Standard: Level 3 Horticulture or Landscaping Supervisor.
- Apprenticeship Length: 36 months.
